VI- Reading Comprehension (20 Marks)

Read the following passage carefully, then answer the questions below:

Technology is **advancing** every day. New phones, computers and other electronic devices are improving the world. Teens like to have the newest and best phone, computer or iPad. They are becoming addicted to technology. They mostly communicate through texting, online chatting or Facebook. They have stopped picking up the phone to call a friend or a family member. iPod and MP3 players also isolate teenagers by putting them into their own world. The headphones in teenagers' ears suggest that they just want to listen to music and it is hard to get a good talk.

Teens say that mobile phones are a quick and easy way to contact family and friends. However, they are using them too much. Even in school, teens are sending messages during class which distract **them** from the lesson. They are also using text shortcuts in schoolwork such as "LOL", and using this language, which does not follow proper grammar, is limiting their vocabulary and their writing abilities.

Teens need to avoid using electronics too much. Knowing the negative effects will help them enjoy technology in a positive manner.

A) From a, b, c and d, choose the correct answer: (4X2 ½ =10)

23- A suitable title for this text is

- a- Positive Effects of Technology on Teens
- b- Technology in Schools
- c- **Negative Effects of Technology on Teens**
- d- Teens and Schools

24-The underlined word **advancing** in the 1st paragraph means.....

- a- breaking
- b- training
- c- falling
- d- **improving**

25- The underlined pronoun "**them**" in the 2nd paragraph refers to

- a- phones
- b- friends
- c- **teens**
- d- messages

26- The second paragraph tells us that teens use mobile phones

- a. to improve their English.
- b. to chat with friends.
- c. **in a wrong way.**
- d. in a useful way.

B) Answer the following questions: (4x2 ½ =10)

27- How do teens communicate today?

They communicate through texting, online chatting or Facebook.

28- Why do teens use mobile phones?

Because phones are quick and easy way to contact family and friends.

29- What is the problem of teens with technology at school?

Teens are sending messages during class which distract them from the lesson. They are also using text shortcuts in schoolwork such as "LOL", and using this language, which does not follow proper grammar, is limiting their vocabulary and their writing abilities.

30- What do the headphones in teenagers' ears suggest?

They suggest that they just want to listen to music and it is hard to get a good talk.
